Sub: - "In regards to Redevelopment"

Respected Shopkeepers,

We are glad to be approaching the final stage of our society's building's redevelopment project.

At this important juncture, we would like all the shopkeepers to appoint one representative from each of the four buildings to serve as the spokesperson for all shopkeepers. This representative will play a crucial role in communicating the collective concerns, feedback, and interests of the shopkeepers, ensuring their voices are heard and considered throughout the redevelopment process.

Regards,

(Shri.Nathmal G. Saraf)
